

# Meet our *privately-owned* member practices!

## Olympia, Washington

Olympia Veterinary Specialists is a specialty & emergency hospital at the southern end of the beautiful Puget Sound. We work to enrich the lives of all our patients, clients, and team through a collaborative community of veterinary professionals. We practice a consistent commitment to the evolution of our knowledge, skills, and teamwork. We welcome likeminded doctors and licensed technicians to join us in this beautiful area as we continue to grow and evolve. Contact Bob Bellamy at [bob.bellamy@ovspets.com](mailto:bob.bellamy@ovspets.com).

## Oakdale & St Paul, Minnesota

Why AERC?  
 1. Ever feel like an oddball? Yeah, us too.  
 2. Vet med is hard. So we have an in-house social worker to support our team & clients.  
 3. Speaking of support, we're like family to each other. Without the awkward questions like, "When are you starting a family?" or "When are you moving out of the basement?" Sheesh.  
 4. AERC is different. Locally owned. And pretty darned special. Not even kidding. Interested? [humanresources@aercmn.com](mailto:humanresources@aercmn.com).

## Pittsburgh, Pennsylvania

Are you looking to practice cardiology with the amenities you have in a big city but the heart, charm, and feel of a much smaller one? Are you excited to jump into a full caseload with an enthusiastic and supportive team that practices a family-first philosophy and focuses on quality of life? If so then we are the place for you! We are a well-established, privately owned, cardiology practice looking to add a fourth cardiologist to our growing team. Come enjoy the benefits of working with a large referral hospital with a private practice mentality. To find out more, contact [sikorska@pittvetcardiology.com](mailto:sikorska@pittvetcardiology.com).

## Williston, Vermont

Live where you play and love where you work. We are ideally located, 10 minutes from Burlington – Vermont's largest city and cultural center on the shores of Lake Champlain. Vermont ranks highest for safest in the nation, best for outdoor recreation, best college towns, best locations for working moms, highest concentration of craft breweries and a hyper-local farm-to-table dining scene. And as if that weren't enough, we have one of the highest percentage of pet ownership rates in the nation. Contact us at [jobs@bevsvt.com](mailto:jobs@bevsvt.com)

## Latham, New York

Located in upstate New York, we are growing state-of-the-art specialty and emergency veterinary referral hospital. We enjoy a collaborative work environment that offers rewarding professional development. Our empathic medical expertise has made UVS the trusted source for specialty and emergency care in the Capital Region for nearly 20 years. Our 40,000 square foot facility is home to the most advanced medical equipment and highly trained medical professionals in the area. Our mission is to help patients live longer, happier lives through expert medical care and compassion client service. All this while still maintaining a good work-life balance. For more information, please contact [hr@uvsonline.com](mailto:hr@uvsonline.com)

## Portland, Oregon

In an industry feels like it is ablaze, Sunstone is a tall glass of water. We don't work weekends, nights, or holidays. We are fully supported by seasoned paraprofessionals – the type of people you can rely on and be proud to have as your team, as well as your friends. We treat each other, our patients, and clients with kindness above all else. We are looking for an Internist to join our practice. Please write to [joshua.elliott@sunstonevets.com](mailto:joshua.elliott@sunstonevets.com) to find out more.

## Lebanon, New Jersey

Crown Veterinary Specialists is located in the beautiful Skylands region of Northern New Jersey. Hunterdon County was recently named the safest county in America to raise children according to [www.savethechildren.org](http://www.savethechildren.org)! We are only a short drive from large cities, yet located in the heart of an area filled with lakes, rivers, mountains, countryside. If you are looking to find the balance between a rewarding professional environment and personal fulfillment, consider joining our team and email [kat@crownvvet.com](mailto:kat@crownvvet.com).

## Auckland, New Zealand

Located in New Zealand's 'City of Sails' you are never more than 30 minutes from the ocean. Auckland boasts fine dining, cafes and coffee, bush walks and water. ARC has two state-of-the-art clinics with specialists in Medicine, Surgery, Neurology, Cardiology, Dermatology, Hydrotherapy, Radiology and Oncology. Your learning and growth will be cultivated with our training department and in house mentors. ARC is large enough to experience everything but small enough to be part of the family. Our staff love animals and we love our staff. As one of the world's top tourism destinations, New Zealand is the place to live, laugh and flourish. Contact [reception@arcvets.co.nz](mailto:reception@arcvets.co.nz) or visit [www.arcvets.co.nz](http://www.arcvets.co.nz) for more

## Los Angeles, California

LAASER is a multi-specialty referral practice in the heart of Los Angeles. We offer Internal Medicine, Surgery, Neurology, Emergency/Critical Care and Rehab/Integrative Medicine to the greater LA area. We believe that culture is in everything we do and love to work happy! Opportunities for a variety of positions including board-eligible or certified Cardiologist, Oncologist, Radiologist, or add to our Internal Medicine and Surgery team. ## Castle Rock, Colorado

Veterinary Specialists of the Rockies is an independently owned emergency and specialty hospital located near Denver, in one of the fastest growing cities in Colorado. We are seeking ER clinicians, board-certified specialists in oncology and critical care and experienced paraprofessionals; talented, energetic individuals with excellent communication and interpersonal skills to successfully develop collaborative departments within our progressive center. For more, email [tmorrison@vsrockies.com](mailto:tmorrison@vsrockies.com).

## Loveland, Colorado

Four Seasons Veterinary Specialists an advanced, AAHA accredited 24/7 Emergency & Specialty hospital, located just south of Fort Collins. Our diverse team is devoted to providing excellence in care with love for our patients, our clients, and ourselves. With this in mind, we place a large emphasis on employee wellness, including having an onsite Wellness Coach. Please contact Courtney Hubrecht at [courtney.hubrecht@4svs.com](mailto:courtney.hubrecht@4svs.com) or 970.800.1106 or for more information!

## Suffolk, Virginia

Since The Center Of Veterinary Expertise (the COVE) opened its doors, it has been one of the most trusted and respected 24/7 ERCC & Specialty practice in the Suffolk region. *The secret to our success?* The entire team wholeheartedly embrace our core values of Community, Collaboration, Commitment, and Integrity. This focus ensures that pets, the people that love them and their primary care veterinarians have a positive experience. Contact Danielle Russ, at [druss@thecovevets.com](mailto:druss@thecovevets.com).

## Shrewsbury, Pennsylvania

Mason Dixon is a 24/7 animal emergency hospital located in Shrewsbury, PA, we provide critical pet care for northern Baltimore County and southern York County, as well as surrounding areas in Maryland and Pennsylvania. We are locally-owned and women-owned, and we are proud of it! If you love emergency medicine and surgery, but dislike the corporate atmosphere; if you have been longing to bring a personalized approach to the ER while fostering a team eager for growth and knowledge, we are the place for you! For more, contact: [jljongbottom@mdaeh.com](mailto:jljongbottom@mdaeh.com)

## Charlotte, North Carolina

CARE | Charlotte Animal Referral & Emergency is the Charlotte region's advanced medical center for pets. CARE is a state-of-the-art veterinary facility that offers 24/7 emergency care and board-certified specialty care, including oncology, neurology, surgery, ophthalmology, internal medicine, and cardiology. Privately owned and operated, CARE prides itself on its staff, each team member's passion for veterinary excellence, and their compassion for the well-being of its patients.
