

Meet our *privately-owned* member practices!

Olympia, Washington

Olympia, Washington

Olympia Veterinary Specialists welcomes like-minded doctors and technicians. We have a supportive culture committed to joy, excellence, service, and growth. Scan this code to learn about our wonderful team.

SCAN ME

Vancouver, British Columbia

Canada West is a Canadian multi-specialty practice and a VECCS Level 1 certified and identified trauma centre combined with a dedicated 24/7 ER. We are seeking a Surgeon, Oncologist & Cardiologist. Located in beautiful Vancouver, British Columbia, our hospital lies between the Pacific Ocean and surrounding mountains, enabling outdoor activities and providing an extensive complement to your professional life. For more information Marta at mjackson@canadawestvets.com.

Fargo, North Dakota

Like Fargo, RRAEH is a little North of Normal! Fargo is ND's largest city and RRAEH is ND's largest and only 24/7 ER & Specialty Hospital. Since 2005 we have prided ourselves on not just providing our patients and clients with the best medical care and compassion, but by creating a strong family foundation amongst our team! We love everything about Fargo and RRAEH, and we know you will too! Interested in exploring Fargo?! Contact Alex alex.wigglesworth@rraeh.com

Oakdale & St Paul, Minnesota

Why AERC?
 1. Ever feel like an oddball? Yeah, us too.
 2. Vet med is hard. So we have an in-house social worker to support our team & clients.
 3. Speaking of support, we're like family to each other. Without the awkward questions like, "When are you starting a family?" or "When are you moving out of the basement?" Sheesh.
 4. AERC is different. Locally owned. And pretty darned special. Not even kidding. Interested? FindYourFit@aercmn.com.

Kanata, Ontario

Capital City Veterinary Specialists opened in the spring of 2023 with the mission: To provide the highest level of care for animals in an optimal learning environment for our team members and referring veterinarians, with a focus on the development and success of the veterinary community. Contact Brandon BZweerman@capcityvet.com

Latham, New York

Located in upstate New York, we are growing state-of-the-art specialty and emergency veterinary referral hospital. We enjoy a collaborative work environment that offers rewarding professional development. Our empathic medical expertise has made UVS the trusted source for specialty and emergency care in the Capital Region for nearly 20 years. Our 40,000 square foot facility is home to the most advanced medical equipment and highly trained medical professionals in the area. Our mission is to help patients live longer, happier lives through expert medical care and compassion client service. All this while still maintaining a good work-life balance. For more information, please contact hr@uvsonline.com

Portland, Oregon

In an industry feels like it is ablaze, Sunstone is a tall glass of water. We don't work weekends, nights, or holidays. We are fully supported by seasoned paraprofessionals – the type of people you can rely on and be proud to have as your team, as well as your friends. We treat each other, our patients, and clients with kindness above all else. We are looking for an Internist to join our practice. Please write to joshua.elliott@sunstonevets.com to find out more.

Los Angeles, California

LAASER is a multi-specialty referral practice in the heart of Los Angeles. We offer Internal Medicine, Surgery, Neurology, Emergency/Critical Care and Rehab/Integrative Medicine to the greater LA area. We believe that culture is in everything we do and love to work happy! Opportunities for a variety of positions including board-eligible or certified Cardiologist, Oncologist, Radiologist, or add to our Internal Medicine and Surgery team. Email: careers@laaser.vet.

Auckland, New Zealand

Located in New Zealand's 'City of Sails' you are never more than 30 minutes from the ocean. Auckland boasts fine dining, cafes and coffee, bush walks and water. ARC has two state-of-the-art clinics with specialists in Medicine, Surgery, Neurology, Cardiology, Dermatology, Hydrotherapy, Radiology and Oncology. Your learning and growth will be 02cultivated with our training department and in house mentors. ARC is large enough to experience everything but small enough to be part of the family. Our staff love animals and we love our staff. As one of the world's top tourism destinations, New Zealand is the place to live, laugh and flourish. Contact reception@arcvets.co.nz or visit www.arcvets.co.nz for more

Loveland, Colorado

Four Seasons Veterinary Specialists is an advanced, AAHA accredited 24/7 Emergency & Specialty Hospital, located just south of Fort Collins. Our diverse team is devoted to providing excellence in care with love for our patients, our clients, and ourselves. With this in mind, we place a large emphasis on employee wellness, including having an onsite Wellness Coach. Please contact Courtney Hubrecht at courtney.hubrecht@4svs.com or 970.800.1106 or for more information!

Castle Rock, Colorado

Veterinary Specialists of the Rockies is an independently owned emergency and specialty hospital located near Denver, in one of the fastest growing cities in Colorado. We are seeking ER clinicians, board-certified specialists in radiology and experienced paraprofessionals; talented, energetic individuals with excellent communication and interpersonal skills to successfully develop collaborative departments within our progressive center. For more, email tmorrison@vsrockies.com.

Pittsburgh, Pennsylvania

Are you looking to practice cardiology with the amenities you have in a big city but the heart, charm, and feel of a much smaller one? Are you excited to jump into a full caseload with an enthusiastic and supportive team that practices a family-first philosophy and focuses on quality of life? If so then we are the place for you! We are a well-established, privately owned, cardiology practice looking to add a fourth cardiologist to our growing team. Come enjoy the benefits of working with a large referral hospital with a private practice mentality. To find out more, contact sikorska@pittvetcardiology.com.

Charlotte, North Carolina

CARE | Charlotte Animal Referral & Emergency is the Charlotte region's advanced medical center for pets. CARE is a state-of-the-art veterinary facility that offers 24/7 emergency care and board-certified specialty care, including oncology, neurology, surgery, ophthalmology, internal medicine, and cardiology. Privately owned and operated, CARE prides itself on its staff, each team member's passion for veterinary excellence, and their compassion for the well-being of its patients. Email rprendergast@carecharlotte.com for details

Suffolk, Virginia

Since The Center Of Veterinary Expertise (the COVE) opened its doors, it has been one of the most trusted and respected 24/7 ERCC & Specialty practice in the Suffolk region. *The secret to our success?* The entire team wholeheartedly embrace our core values of Community, Collaboration, Commitment, and Integrity. This focus ensures that pets, the people that love them and their primary care veterinarians have a positive experience. Contact Danielle Russ, at druss@thecovevets.com.
